

Donald James Beswick 1941 – 2020

Attended Wellesley 1947 - 1954

Born in 1941, Don attended Wellesley, as a boarder, from 1947 - 1954. After Wellesley, Don attended Wellington College, and then undertook a career in electronic engineering.

Don held a special bond with Wellesley. He attended the School's Centenary celebrations in 2014 and returned for the senior prizegiving in 2015. It was wonderful to get an

image of him working with the boys and seeing him enjoying his favourite past time (electronics) in the STEM room in 2015.

Don was the beloved brother and brother-in-law of Rosetta & Malcolm. Loved uncle of Fraser & Liz, Kent & Maree, Rachel (dec) & Darren, Carmel & Steve and their families. He was also a close friend of another Wellesley old boy – Michael Stace.

Sadly, Don passed away after a short illness on 23rd September 2020, aged 79 years.

Our most heartfelt sympathies go out to Don's family and friends, from the staff and boys at Wellesley.
