Principals Report

Mike presented his update with key points: The school roll is at 284. A discovery day held on the 12 June was the biggest they have had yet. All house captains and deputies were in attendance. From that three enrolment interviews were confirmed. There were thirteen under 5's noted, which was significant. Mike thanked Mell Curry and all the team for the disco which was very well received by all in attendance. The sound systems have been ordered, but there is currently a further delay (more than the original 6 weeks) for delivery. The water tank is purchased, with a similar delay to delivery. Remediation work on the Ferry Road stream will hopefully commence during the Xmas break. There is an ecological survey and resource consent process underway. The work to replace the tennis courts surface is awaiting renewal of the Council lease. The current plan is to resurface three courts. Once the Lease is renewed, work is hoping to start during the Sept/ Oct holiday break. This will include fencing. Mike asked for volunteers from the PA to assist with the stamping of books to get resources into classrooms. Mike will talk to Mel regarding a date to get volunteers in. WPA will liaise with members once a date is confirmed with Mel.

Treasurer's Report

A copy of the treasurer's report was distributed at the meeting. Current WPA Account balance is: \$25,298.20. Sales from the disco included 66 online tickets, and \$365 at the door.

Not much to report, but upcoming payments include Audio system invoice, payment for the bench seat, and future events.
